Subject: Enquiry as to status of applicaiton

Dear Sir/ Madam

On the 27 May 2011 I submitted a response to the Transport Agency's draft decision regarding an application for access to the Land Transport vehicle registry.

The unnecessary delays in obtaining a response is having a serious impact upon my ability to operate my business and I would appreciate if this matter could be resolved sooner rather than later.

It has been suggested from your organisation in the interim for me to make application on a case by case basis however this is not practical due to the requirement to have immediate information in regard to the cases which I am involved.

Failing a quick response to this request am I able to activate the authority for the approved clients for which your draft referred to until the entire matter is finalised, if so how may I do this.

Many thanks Gavin Clark.

Dear Mr Bowden,

Thank you for your draft decision regarding TCIL's access to the motor vehicle database.

We wish to further explain our position and request that the authority be reviewed and extended to cover more scenarios where we could access this information.

Please find attached a letter in support of this request.

Kind Regards Gavin Clark
