## **Invitation to attend Local Government Road Safety Summit, 9 April 2018**

In December 2017 I wrote to you expressing my significant concern at the rising number of people dying on our roads and said that I would invite Councils to attend a road safety summit in early 2018.

I would now like to invite you to take part in this summit. The Local Government Road Safety Summit will be held from 11.00 am to 5.00 pm on Monday 9 April 2018 in Wellington. The venue will be the Rydges Hotel, 75 Featherston St, Wellington.

In my December letter I asked you to consider what actions Councils could take that would have the greatest enduring effect on road safety in your region. The Summit will provide the opportunity for Councils to put forward and discuss these actions and influence the Government's planning for road safety. An outline of the agenda for the day is attached.

I will be attending the whole event and I look forward to discussing this vitally important issue with you. In particular, I want to talk to Councils about infrastructure investment, speed management and options to treat high-risk roads in your regions. I am also interested in your plans to improve the safety for people who are walking and cycling.

The Summit is intended for Mayors, Chief Executives and senior road transport planning staff, along with Chairs of Regional Land Transport Committees.

This Summit will be part of the process of developing a new road safety strategy. It will also feed into the ongoing work to improve road safety that is already underway. The focus of the Summit will be on actions that local government can take to improve road safety, especially in the next few years. It is the first of what I intend to be a programme of engagements with all parts of the community over the next twelve months on development of the new strategy.

The Summit will operate under Chatham House Rules and the Ministry of Transport will note down the key points from the various sessions anonymously.

If you would like to attend the Summit or have any questions about the arrangements, please send your response to [LGRSS@transport.govt.nz](mailto:LGRSS@transport.govt.nz). Responses, including expressions of interest to take part in the panel discussion, are requested by 23 March 2018.

If you cannot attend the day and you have specific points that you wish to make, you are welcome to provide them to the Ministry of Transport at any time. Please direct your correspondence to Brent Johnston, Manager Mobility and Safety, Ministry of Transport, at [b.johnston@transport.govt.nz](mailto:b.johnston@transport.govt.nz).

I look forward to the opportunity to meet with you and to a productive day.

Yours sincerely
