Submission on the exposure draft of the Civil Aviation Bill

Dear Sir/Madam

I am supporting the submission made by the **Aviation Forum** concerning the *Civil Aviation Bill*. Please find my similar submission attached.

It is important that the very people and businesses that this legislation will ultimately affect have a qualifiable and meaningful opportunity to consultation.

I demand that the *Exposure Draft* not proceed until there is a thorough and comprehensive review of all aspects of the aviation system.

Regards.

Deane Grant MSc., NZCE, LAME, Dipl.QA.
