

Rolleston to Lincoln Cycleway

A new 9km off-road path for pedestrians and cyclists alongside Boundary Road and Lincoln Rolleston Road. This is an important link in the strategic cycling network in Eastern Selwyn that connects fast growing townships, and to Christchurch, with a series of off-road paths. It is expected that a significant proportion of users will be young people accessing schools and sporting facilities.

Benefits: Increase in children travelling by bike or on foot to and from school and sports activities on safe, off road routes. It create links between these rapidly growing towns and the main cycling network to Christchurch, improving connectivity and transport options for residents.

Total cost estimate: **\$0.85 million**

Urban Cycleways Fund share
\$0.3 million

Local share \$0.275 million

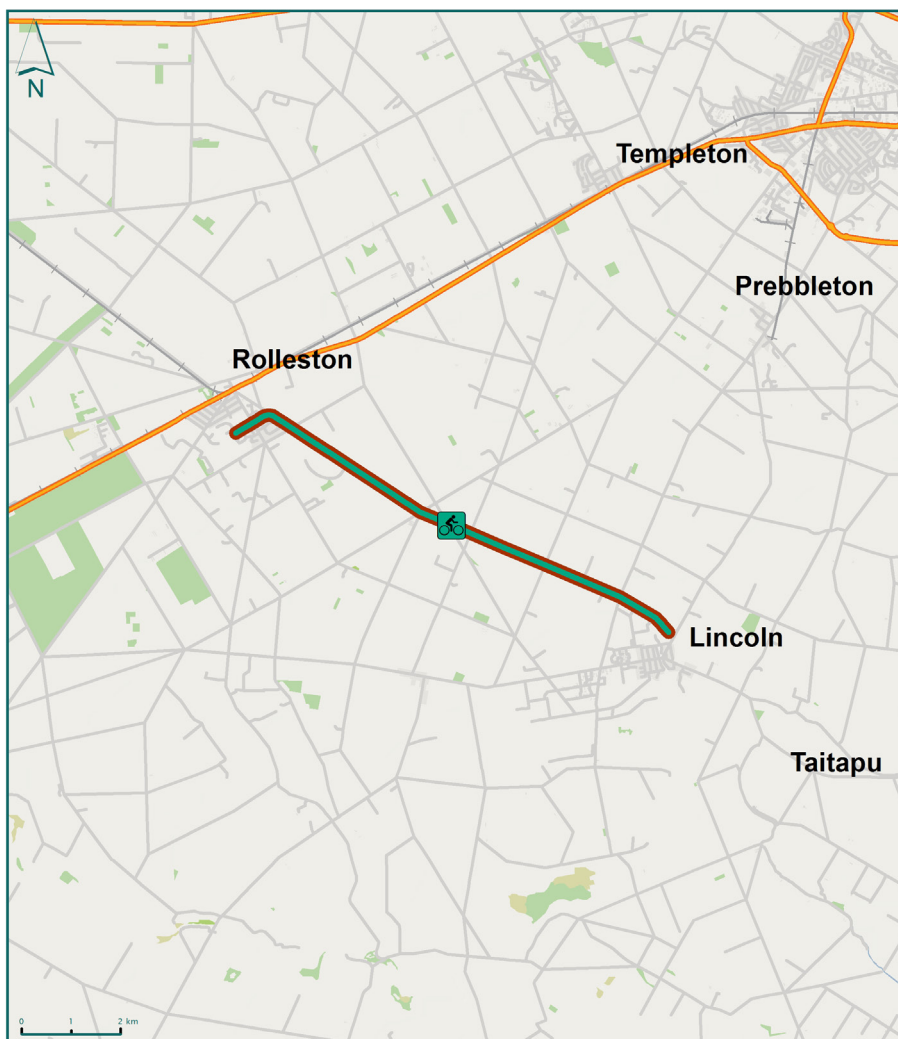

NLTF \$0.275 million

Target start date:

March 2015

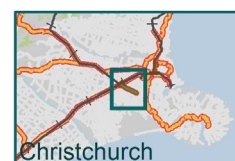

Target completion date:

June 2015

Rolleston to Lincoln Cycleway
