

South Dunedin Cycleway Enhancements

Completion of a cycle network that provides links to local schools, activity centres, key destinations and recreational facilities in South Dunedin, and provides connectivity into the CBD and existing Harbour Cycleway.

Benefits: This network serves commuter cyclists throughout South Dunedin and will provide connections to the Harbour Cycleway and central Dunedin. Completion of the network will provide improved safety for all users and is expected to lead to an increase in cycling trips for school and commuter journeys.

Total cost estimate: **\$1.705 million**

Urban Cycleways Fund share
\$0.57 million

Local share \$0.385 million

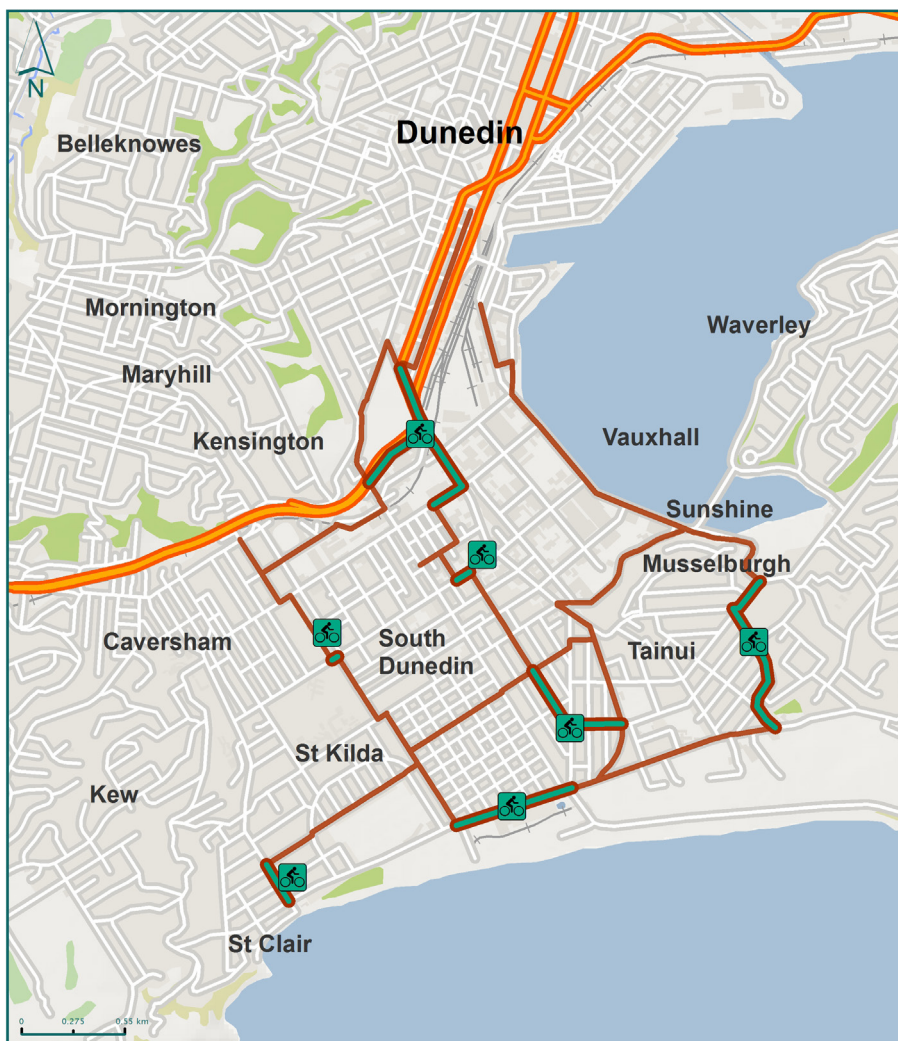

NLTF \$0.75 million

Target start date:

February 2015

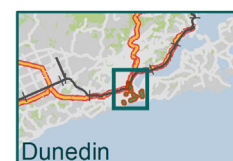

Target completion date:

December 2015
